

## Climate risk assessment expert, Western Balkan countries

For an upcoming project in the area of MSME finance/banking in the **Western Balkan countries**, IPC wants to strengthen its teams on-site with a "Climate risk assessment expert", fulfilling the following requirements:

- University qualification: advanced degree in economics, finance, and/or engineering
- More than 6 years of experience in topics related to climate risk assessment (physical and transition) and/or climate finance in the Western Balkan countries, ideally with financial institutions
- Fluency in spoken and written English, as well as in one of the language of the Western Balkan countries
- Based in either **Serbia, Albania, Bosnia and Herzegovina, Kosovo or North Macedonia** is an asset!

**Project location:** Serbia, Albania, Bosnia and Herzegovina, North Macedonia and/or Kosovo

**Project duration:** intermittent periods, within a project duration of 12-18 months

**Published:** 30.4.2020

**Deadline:** 29.5.2020

**Project start:** June, tentatively

If you are interested in applying with IPC for the upcoming position, please send your CV to Simone Schwarz: [hr@ipcgbh.com](mailto:hr@ipcgbh.com) as soon as possible. Applications from experts based in Serbia, Albania, Bosnia and Herzegovina, Kosovo or North Macedonia are particularly welcome. Kindly understand that we can only reply to applicants who fulfil the above-mentioned requirements.
